TO ALL OPEN BOWLERS AND ZONE EXECUTIVES

Listed below is a survey which will help the O5PBA better understand the needs of both the Open Bowlers and Zone Executives.

The cost of the Open Championships continues to rise each year. Lineage rates, hotel and banquet costs are also rising. Adding to this is the costs of flights and transportation for our National Teams. ***Is the Open getting too costly for all concerned?***

We are asking all Open bowlers to fill out and share your thoughts with us.
Please keep in mind this is only a survey.

(Please choose one)

2. Do you like the idea of going to five (5) person teams with no substitution?

No ☐

- 2a. The winning team going to the Nationals would then take the next highest qualifier. For example, the Men's Team would take the top man on the Mixed Team. If the Mixed Team were to win, the next highest would be the top man/lady, if the Men's/Ladies' failed to qualify. Should they have qualified then they would take the next highest qualifier.

Comments:

- 2b. If we went to five (5) player teams all bowlers would then qualify for the singles.

Yes ☐ No ☐

3. What are your thoughts on a franchise fee? You can pick your own team (5 or 6 players) mens, ladies and mixed and say for \$750.00 would advance to one of 4 Regional Rounds. From there 4 teams in each category would then advance to the Provincial Open. There would be no 20 game qualifiers and no Zone Assessment. A separate singles tournament would be held in conjunction with the Open.

Yes ☐ No ☐

Comments:

4. Would you still bowl in the Open if the winning teams were to receive a trip for two to the sunny south with the rest of the Provincial winners instead of going to the C5 Nationals?

Yes ☐ No ☐

Comments:

5. The Zone Assessment now sits at \$2,900.00 and the O5PBA charges a \$10.00 surcharge to all winners to help offset travel costs. If this surcharge were to rise to \$40.00, would you still enter the Open?

Yes ☐ No ☐
