

MOTIONS AND RECOMMENDATIONS PERTAINING TO FUNDRAISING

ORLEANS 5 PIN BOWLERS' ASSOCIATION

RECOMMENDATION

HAVE FUN TOURNAMENTS THAT ALL MEMBERS CAN ENTER, WHERE THEY USE ONLY THEIR SCORES FROM THEIR REGULAR BOWLING NIGHT/DAY TO COMPETE.

- The cost to enter could be \$5 or \$10 and would be collected by the local association and forwarded to the O5 office.
- The prize structure would be 40% of the pot for first place, 20% for second, 10% for third and 5% for fourth, leaving 25% for the O5PBA.
- Formats of tournaments could include:
 - A five week total poa tournament
 - A staying alive 7 week tournament; players need to get their average or higher each week, can consider a one week mulligan, with the last week being a playoff week with the high poa winning
 - The above two tournament types could also be played as a 2, 3 or more bowler variety, possibly with some variations;
 - It could be a five week total poa tournament with three bowlers on a team, but you would count the best two poa results each week
- Rules as to the what happens when a player is absent or pre-bowls should be considered ahead of time
 - Could lose 2% of the average if absent
 - Pre-bowls count but place a limit on them; hard to enforce as it is not always obvious to the statistician
- The scores would be sent electronically, using a set spreadsheet from the association, weekly to the O5PBA who would show the results on the web
- Note, players could participate for each league they are registered for

ORLEANS 5 PIN BOWLERS' ASSOCIATION

RECOMMENDATION

THAT THE C5PBA AND O5PBA FIND A DIFFERENT CHARITABLE ORGANIZATION TO SPONSOR THAN SPECIAL OLYMPICS CANADA. WE HAVE A LARGE SOC LEAGUE IN OUR BOWLING CENTRE AND WHEN WE APPROACH THE MAIN ORGANIZER TO MAKE HIM AWARE OF THE FUNDRAISING WE ARE DOING, HE HAS COMMENTED THAT IT IS NICE, BUT THE SOC HAS A LOT MORE MONEY THAN THEY KNOW WHAT TO DO WITH. I HAVE HEARD THIS SAME FEEDBACK OVER THE LAST FEW YEARS. WE BELIEVE THAT THE SOC IS A WORTHWHILE ORGANIZATION, BUT IS THERE ANY WAY TO PARTNER WITH ANOTHER WORTHWHILE ORGANIZATION THAT WOULD NEED THE SUPPORT MORE.
