

July 8, 2005

Nancy,

We would like to express our appreciation for you and the brilliant job you have done for O5 and its members. This past year was a learning experience for most people on the Bramalea Board and you helped guide us through by answering any and all of our questions. You have been a huge asset and will be greatly missed. Thanks and lots of luck with the Master Bowlers.

Bramalea 5 Pin Bowlers' Association
