SIB Zone & Decentralized Chairs

In an attempt to bolster sales and enthusiasm for this fundraiser & tournament, the O5PBA initiated a new incentive for the Zone and Decentralized SIB Chairs.

Any association that increased their SIB entry ticket sales by 35 books or more would win free entry into the following year's SIB Provincial Championships. All chairs were eligible provided that they had participated in the SIB program during the 2004-2005 season.

We had moderate success this year, with four associations rising up to meet this challenge. The winners of free entry into the 2006-2007 Strike It Big Provincial Championships based on increased SIB sales over the previous season are:

Roger Theriault, Central Ontario	105 Books
John Cresswell, York Simcoe	40 Books
Paul Sprague, Orleans	36 Books
Aimee Bedell, Hamilton	36 Books

We hope to expand on this year's success by encouraging all chairs to take advantage of this opportunity. In addition we are expanding this part of the program and making this opportunity available to Leagues and Bowling Centres that participated in the SIB during the 2005-2006 season.

Thank you all for your continued and future support of this program!
