LTAD-Long Term Athletic Development

Tournaments

The deadline date for completion of the survey has been extended to November 30th, 2008 so we are running the information again in this issue. Please go to www.c5pba.ca to complete the survey and help develop the future of 5 pin bowling in Canada. The survey is not only geared for the average participant, but also includes athletes with a disability (AWAD) who participate in bowling. The survey has been specifically developed to get more information to help guide the Canadian 5 Pin Bowlers' Association in their work.

Survey

The Ontario 5 Pin Bowlers' Association has taken an ad out in the Toronto Sun newspaper. An extensive article will be appearing in the newspaper on November 24th, and is of course a reminder to all that we will be celebrating our 100th birthday in 2009. To all Zones and DC's that have a monthly newsletter, a gentle reminder that you too can let all your bowlers know we have very special birthday coming up.

IS THERE A
SPORTS FAN?
IN YOUR LIFE ?

Dear Friend

IS THERE A SPORTS FAN IN YOUR LIFE ??

As you know, we appreciate the support that you have given our organization and would like to share with you the new partnership we have formed with Canadian Sports Magazine. Through this terrific fundraiser, 25% of the \$20.00 subscription revenues from our supporters will come directly back to the Canadian 5 Pin Bowlers' Association. In turn, for every subscription we will donate \$1.00 to a great charity, "Kid's Help Phone." To learn more about this marvelous magazine please go to:

www.canadiansportsmagazine.com/testimonials/5pinturnit.htm

Look at the article on pages 26-29 to see an example of the coverage that this national magazine is giving our sport. Please consider subscribing to this beautiful magazine. It would be a great Christmas gift for all the sport fans in your life and at the same time, really help us.

The Canadian Sports Magazine

As noted at the Semi Annual meeting, when someone in your Zone or DC Association subscribes to the Canadian Sports magazine, you will in turn receive \$3.00 from the O5PBA. The subscription costs \$20.00 which is a minimum price to pay for a sports magazine that includes 5 pin bowling. Of the \$20.00, five goes to the C5 who in turn will donate \$1.00 to KHP. For each subscription made through Ontario, the O5 will receive \$4.00. In turn, they will refund the Zone or DC \$3.00 for each subscription they endorse.

As mentioned in Mel's article on page 2, simply go to the web site and when you open the subscription page you will be asked for your first and last name. The next line will ask for your company. Insert Ont; followed by your zone or DC. The O5PBA will refund you \$3.00 for each subscription. The 2nd page is identified as a gift subscription and if you follow the same procedure, you will again benefit with the \$3.00.

With Christmas just around the corner, this is an excellent idea for all those sports fans in your life. Give them a gift they will enjoy and benefit your Association in the process.

Sheraton Hotel

Please note that the Sheraton Hamilton Hotel has announced effective November 16th, 2008 the hotel will be 100% non-smoking. The decision was based on customer feedback. There will be a designated outdoor area for guests who smoke. Please ensure that all your Zone bowlers for the Open are aware of the new ruling which will be in place when we arrive next Easter for the Open Provincial Tournament.

O5PBA Move

Yes folks, we are finally moving! The official move date for the O5PBA office is scheduled for November 27th. It is important that you advise everyone in your Association that while the phone numbers will remain the same, they will not be operational from November 27th to December 2nd, 2008. Please note that any telephone calls sent into the office during that time frame will end up in the land of Oz and will not be able to return to this land as we know it. Your cooperation is greatly appreciated.

The New NCCP

Please note, the outline for the new Community Coach can be found on the O5PBA website. It explains in detail, what is required and needed in the future for all coaches. A quick overview is as follows:

- The Community Coach replaces the current level 1 Technical clinic as well as the Theory 1 (Competition A) for all **NEW** coaches.
- With the integration of the Competition A requirements into the Community Coach clinic, coaches will not longer have to take a technical as well as theory clinic in order to be certified.
- All **CURRENT** Level 1 certified coaches are required to have the Making Ethical Decisions module in order to be granted the Community Coach equivalency. This must be completed by December 31st, 2013.
- You can attend a Community Coach clinic for the Making Ethical Decision module (approx. 1 1/2 hours) at a nominal fee to cover registration costs, etc.
- Any coach wishing to take the full Community Coach clinic may do so but will be charged the full course fee.
- Any coach who has taken the Competition A (replaced Theory 1) is **NOT** required to take the Making Ethical Decisions module of the Community Coach because it is in the Competition A.
- Level 2 is not affected at this time.

Sponsorship Incentive

Our marketing committee is putting forth a challenge to all Zones and DC's. For every new sponsor your Association brings in, your name will be entered into a draw for a basket of hair care products and toiletries worth \$200.00. The sponsorship opportunities as outlined in their plan at Convention, can be found on the O5 website. For every Bronze sponsor you bring in you will receive one (1) vote, Silver will receive three (3) votes, Gold will receive five (5) votes and Platinum will get ten (10) votes. The draw will take place at the final meeting at our Annual Convention in June 2009. The sponsorship opportunities will be posted on the O5PBA website in the near future.
