

# CBET Program Review

Revised – 9/8/04

At the Canadian 5 Pin Bowlers' Association's Annual General Meeting held this past weekend, CBET was discussed and the following is an update from these discussions.

## **What is CBET?**

CBET is short for Competency Based Educational Training. The core competencies of this program are valuing, interacting, leading, problem solving and critical thinking. CBET is broken down into three streams: Community Sport, Competition and Instruction. In April this year all Theory 1 and Theory 2 courses were replaced with Competition Part A (old Theory 1) and Competition Part B (Old Theory 2). The C5 is currently updating the technical portion of CBET and the completion has been set for 2006.

## **How do we get Certified?**

Currently Ron Warne, an independent course conductor, is offering the Competition Part A and Part B, (following is a list of places and dates). These course costs are \$100.00 each. The courses are each 13 hours in length and are being offered both on weekends or four (4) week nights. Walter Heeney, Dave Johnston and Ian Cameron are currently going through a re-certification program and by October, will be offering clinics through the Master Bowlers' Association. Technical programs are still offered by the Master Bowlers' Association.

Please contact, your local community college, or reference the list below for upcoming courses.

## **Part A Course Schedule**
