Words of Wisdom

The way to get things done is not to mind who gets the credit for doing them.

Old News–Good News

We would like to congratulate Terry Little on his perfect game at the 2002 Ontario Open at Sherwood Lanes this past March. Terry became only the third person to bowl a perfect “450” game and his timing couldn’t have been better. Terry won the perfect game pool which was worth \$18,245.00. Way to go Terry!

National Championships

Held in Winnipeg, Ontario had an excellent showing. Paula Cullen from Niagara Peninsula captured the gold medal while Bob McDonald from Kawartha Lakes finished fourth. Ontario ladies’ team from Central Ontario brought home silver medals and our mixed team from York Simcoe and the men’s team from Central Ontario finished fifth and sixth respectively. Ontario finished second overall just one point behind the aggregate winners, British Columbia.

Truca\$h

A word of caution to all members who may be trying to access Truca\$h on the Internet. Use **www.trucash.com** and not “truecash.com”. If you use the “e” in the spelling you will get a pornography site instead.

Sporting Life

A woman’s husband and her son, both golfers, were telling her grandson Mike, an avid bowler, the great joys of golf. Mike, however, was not impressed. “You hit the ball and then have to chase it all over the field,” Mike said. “I prefer bowling. “You just stand there and the ball comes back to you.”

Seminars – Sept. 22nd

Please be advised that due to the lack of response from the field, the seminars scheduled for Sunday Sept. 22nd have been cancelled. The Board would like to thank those zones that did respond and will advise if there is to be a rescheduling.
