

# PINBOARD

Issue 95  
April 20th, 2010

## Correction

We would like to apologize to the Senior Team from Grand River for an error in our April issue of the Pinboard. It was incorrectly stated that York Simcoe placed third in the stepladder finals winning a medal. In actuality, Grand River placed third in the stepladder winning the Bronze Medal not York Simcoe. Again, our apologies to the Grand River Senior team and we would like to thank Larry Palmby for bringing this error to our attention.

## Special Thanks

A special "Thank You" to our wonderful sponsors who have donated funds in support of the Ontario 5 Pin Bowlers' Association during the 2009-2010 bowling season.

## Convention

- To start with, a little reminder to everyone who will be attending Convention next month. Don't forget your insect repellent and sun screen. Also, for many of you a hat to protect yourself from the hot sun would be a benefit.
- Don't forget your costumes and dancing shoes for the dance contest.
- As mentioned in the side column, bring your clubs for monkey golf
- For the ardent bingo fans, don't forget your dabbers.
- For those travelling to Convention drive safely and see you there.
- For all those who are staying home, have a great summer and enjoy your time off.

## Monkey Golf

If you are planning on participating in the monkey golf this year don't forget the men will require a 7 Iron and a Putter, while the ladies will need a 5 Iron and a Putter.
