Issue 94
March 20th, 2010

Thank You

The following note was received in the O5PBA office after the Executive Provincial tournament was run on Feb. 27th, 2010 in Hamilton.

"Just a quick note to express how impressed I was with the Executive Provincials on Saturday. As this was my first (but certainly not last) opportunity to bowl in a Provincial Tournament, I can plainly see that it is run quite professionally. Obviously Ontario 5 Pin has a good grasp on how to successfully run a proper tournament.

We would like to thank Mr. Neil Anderson of Blue Mountain 5 Pin Bowlers' Association for his kind words

"SIGN UP"

It has just come to my attention that there are some Associations that have Board members that do not know how to sign in on the O5 website to have the newsletter delivered to them automatically. For their benefit here are the instructions:

- Go to the O5 website: o5pba.ca
- In the site listing on the left hand side click on "Newsletter"
- On top of the page just below the notification that starts with "The following files" there is a statement in red telling you "To click here to subscribe"
- Click on it and complete the information required to become a subscriber.
- Click on the "submit" button and you are done

Please make sure that all your Board members, Bowling Centres, leagues and any individuals who may be interested are made aware of the above. The Ontario 5 Pin Bowlers' Association website is there for anyone interested in 5 Pin Bowling.

It is also a tool that can be used by the Associations and DC's to inform the rest of Ontario of any upcoming events in your area, special awards or items of interest.

You may also know of an organization or company that would like to advertise in the newsletter. For a minimal charge, they can advertise with the newsletter in the "Marketing Minute"
