Average Book: Bowlers must use their highest league average as recorded in the Average Book, and as established in any league in Ontario.

Non-Average Book: Bowlers with no average recorded in the Average Book, must use **the highest of the following as determined by the Provincial Office:**

Use their highest league average up to and including **APRIL 18TH, 2004** (highest average if a bowler bowls in two (2) or more leagues), and as established in any league in Ontario.

- OR -

Use their average based on the median between their highest league average up to and including **APRIL 18TH, 2004**, and the average based on the twenty-one (21) games (seven weeks) leading up to **APRIL 18TH, 2004**.

All bowlers not in the Average Book must provide the Ontario 5 Pin Bowlers' Association with an original or a photocopy of their Individual Average Sheet. The average sheet must be obtained from all leagues they bowl in, and must show scores bowled in all games from the opening of the

2003-2004 season with a minimum of twenty-one (21) games bowled up to and including **APRIL 18TH, 2004.**

A hand-copied facsimile is not acceptable. If you cannot get a photocopy, send the original to the office and we will photocopy it and return the original to you immediately.
