Medicare At Its Best

Mrs. Ward receives a phone call from Dr. Jones at the Medical Testing Lab. "Mrs. Ward, when your Doctor sent your husband's biopsy to the lab yesterday, a biopsy from another Mr. Ward also arrived and we are uncertain which one is your husband's. Frankly, the results are either bad or terrible. One of the specimens tested positive for Alzheimer's and the other tested positive for AIDS. We can't tell which is your husband's." "That's dreadful! Can't you do the test again?" questioned Mrs. Ward. "Normally, but Medicare will only pay for these tests one at a time. The people at Medicare recommend that you drop your husband off somewhere in the middle of town, if he finds his way home, don't sleep with him."

Mike Davies has been an O5 Board member and friend for the past five years. His dedication to the sport of 5 Pin Bowling is without question and he will be greatly missed on the Board of Directors. Mike's decision to not seek re-election this year, we are sure, was not an easy one. With numerous other obligations, he felt it was time to move on.
