### Send Your Thanks

## 2005 Bowling School

## News For 2005/06

### The Staff

From the people responsible for the organization of the school, to the Facilitators and the Class Coordinators we extend our thanks for your hard work and dedication. Your time and efforts are most greatly appreciated.

### The Bowling Centre

Once again our thanks to the staff of Sherwood Centre. From the wonderful food supplied by their kitchen staff to the great work done by their lane mechanics, we thank you. And to Tony Bonora, thank you once again for the use of your facilities.

### The Instructors

"Thank You" seems like such an inappropriate way to express our gratitude for all that you people did during the 4 days you were glued to your classes. We most certainly appreciate the time you took from your jobs and your lives to be with us in Hamilton. We realize the amount of work needed to accomplish all that you do in that short period of time and we cannot express how much you are appreciated.

### The Pros

Once again, Ontario came through with some of the best Pros in the Province. We thank you for your time, your expertise and your willingness to share some of your greatest moments in our sport.

### New Tournament

#### Provincial Triples Tournament

This new tournament will be replacing the Team Tournament. This change will be in effect for this year's bowling season. There will be more information available from the office before the start of the season

### Changes for 2005—2006

Our August issue will deal mainly with changes that will go into effect for this year's bowling season. These changes were either recommendations that came out of Convention, or they are the result of motions that were passed, also at Convention.

Anyone wishing to send their thanks and well wishes to Nancy can so by sending an e-mail to: [thxnancy@o5pba.ca](mailto:thxnancy@o5pba.ca). In addition, by going to: <http://www.o5pba.ca/news/?expand=12305743150> you will be able to read all the "Thank You's" and well wishes she has received so far. While many of you will still be in contact with Nancy through the Master Bowlers' Association, there are some who will now miss speaking to her on a regular basis.

### Thought for the Day

- Wouldn't it be nice if whenever we messed up we could simply press 'Ctrl Alt Delete' and start over

- If raising children was so easy, it never would have started with something called labor.

- Brain cells come and brain cells go, but fat cells live forever.

- When I was young we went "skinny dipping," now I just "chunky dunk"

- The reason a dog has so many friends is that he wags his tail instead of his mouth

## Thanks Nancy

### Dear Nancy

It is with mixed emotions that I extend, on behalf of the Board of Directors and staff of the Ontario 5 Pin Bowlers' Association, our sincere congratulations and best wishes for success in your new position with the Master Bowlers' Association of Ontario.

Nancy, every business needs someone like you. Someone who knows what they are doing...someone who has high standards....

someone who is always on top of things and someone who always has a smile for you. Nancy, we've been lucky to have you and there's no one here who isn't sorry to see you go.

There's no doubt about it: whatever job you've done, you've preserved order over chaos and calmness over confusion. You really know your work and it has been a pleasure working with you

Once again, we wish you all the best in your future endeavors

and thank you for your contributions to our organization both as a Director and an employee and most especially, as a volunteer.

Dave Post (President) and the Board of Directors and Staff of the Ontario 5 Pin Bowlers' Association.
