Thought For The Day

Wouldn't it be nice if whenever we messed up our life we could simply press 'Ctrl Alt Delete' and start all over? If raising children was going to be so easy, it never would have started with something called labor!

40th Anniversary

At this year's Convention, Sid Morris mentioned a wonderful idea. He commented that we have all this history from previous conventions but no where is it noted. With our 40th anniversary coming due in 2006, we would like to change all that. If any Zone or DC has a story to tell, pictures to share, videos to show, etc., could you please either e-mail them to me at; mickeymcneil@o5pba.ca or forward to my attention at the O5 office. We will then endeavor to put together a 40 year history book. Be sure to include dates, names, etc., of the people and events you are recounting. Speak to retired Zone/DC board members and forward their stories as well. It is our intent to put the past 40 years of O5 on display for everyone to enjoy. Help all of us enjoy the memories.

Past, Present and Future

Every month in the Pinboard we will be high lighting an outstanding individual from our past, present and future. In order to do this we need help from all Zones and DC's. Send me a bio of a bowler in your area that you feel deserves our recognition in one of these three categories or if you feel they deserve it, all three. We are looking for bowlers who deserve recognition for what they have accomplished in the past, what they are ac-

complishing right now or what you feel they will accomplish in the future. Forward you information to me at:

mickeymcneil@o5pba.ca and we will high light their career in an upcoming issue.
