

Dear Coach:

On behalf of the National Coaching Certification Program (NCCP) partnership, I would like to congratulate you on your selection as a Coach in the Ontario Open 5 Pin Championships. The Ontario 5 Pin Bowlers Association is a leader across Ontario and Canada and after successfully launching the competitive coach module last year; they are working hard to support coaches in their quest for training and professional development.

This year (2013), the CAO is challenging coaches to "Evolve Their Game" Whether it's exploring new coaching techniques or discovering how technology can bring your coaching to new heights, great coaches stay on the cutting edge so their athletes can reach full potential.

The time and dedication you have put into both coaching and furthering your education are what make amateur sport a great place to be. As a coach, your expertise goes beyond developing the technical skills of your athletes. Your role impacts the lifelong development of the athletes you work with as individuals.

The province of Ontario fully supports your efforts through programs like the Quest for Gold Enhanced Coaching Funds. Recognizing that coaches have out of pocket expenses, this program provides financial assistance through bursaries to help you continue your career in coaching. I encourage you to take advantage of this opportunity through www.coachesontario.ca/q4g

I thank you for your leadership and wish you and your team the best of luck in your future Championships.

Yours in Coaching,
