Dear Coach:

The Ontario 5 Pin Bowlers' Association would like to congratulate you on your selection as a coach for the 2013 Ontario Open 5 Pin Championships. In addition, we also want to recognize those individuals who have accepted the role as assistant coaches for these Championships.

As was the case last year, each coach is guiding a team from within their own zone and the O5PBA want to again thank everyone for their commitment to our objectives.

We also want to thank Sherwood Centre for hosting this prestigious event. Sherwood Centre continues to be one of Canada's leading bowling centres. Their Manager, Helen MacCallum, along with her staff, continue to provide us with excellent lane conditions year after year. We also want to extend our sincere thanks to one of our most generous sponsors, Sidney L. Morris, for his continued sponsorship of the awards for these Championships.

To assist your coaching effort, questionnaires will be available to you and your bowlers and these comments will assist your evaluation of this coaching experience.

I look forward to seeing all coaches and assistant coaches at the Coaches' Meetings on Wednesday at 3:00 p.m. and Thursday at 12:00 Noon.

In closing, we congratulate you once again on your selection.

Yours truly,

Mike Kyte

Mike Kyte
O5PBA Tournament Director

Dear Coach:

On behalf of the National Coaching Certification Program (NCCP) partnership, I would like to congratulate you on your selection as a Coach in the Ontario Open 5 Pin Championships. The Ontario 5 Pin Bowlers Association is a leader across Ontario and Canada and after successfully launching the competitive coach module last year; they are working hard to support coaches in their quest for training and professional development.

This year (2013), the CAO is challenging coaches to "Evolve Their Game" Whether it's exploring new coaching techniques or discovering how technology can bring your coaching to new heights, great coaches stay on the cutting edge so their athletes can reach full potential.

The time and dedication you have put into both coaching and furthering your education are what make amateur sport a great place to be. As a coach, your expertise goes beyond developing the technical skills of your athletes. Your role impacts the lifelong development of the athletes you work with as individuals.

The province of Ontario fully supports your efforts through programs like the Quest for Gold Enhanced Coaching Funds. Recognizing that coaches have out of pocket expenses, this program provides financial assistance through bursaries to help you continue your career in coaching. I encourage you to take advantage of this opportunity through www.coachesontario.ca/q4g

I thank you for your leadership and wish you and your team the best of luck in your future Championships.

Yours in Coaching,

EXPLANATION OF EMERGENCY SPARE

1. If a replacement bowler is unable to compete at the Provincial Championships, a Zone may designate an **“EMERGENCY SPARE”**. The name of the emergency spare (one man and one lady) **MUST BE SUBMITTED TO THE TOURNAMENT COMMITTEE IN WRITING** by the Coaches' Meeting or the team goes without for the remainder of the competition. Emergency spares must have entered the Zone Finals and must be in a shirt of their Zone colour and identification.
2. A replacement bowler or emergency spare cannot be included in the team's starting line-up for the bowler's **FIRST GAME ONLY**. If the team advances to the National Championships, the replacement bowler or emergency spare shall be deemed to be an original qualifier.

ONTARIO 5 PIN BOWLING CHAMPIONSHIPS

COACH INSTRUCTIONS

In order to guarantee that the scoreboards and computer statistics reflect the bowlers' scores exactly as they have been bowled, we ask that each coach ensure that the following procedures are maintained throughout the tournament:

- A. Each coach will be issued an **"OFFICIAL LINE-UP FORM"** (see attached) for each game that they are the **"AWAY"** team and who will be required to put their starting line-up **DOWN FIRST. DO NOT LOSE THESE FORMS AS THEY ARE THE ONLY ONES THAT WILL BE ISSUED TO YOU!**
- B. This form will be the official line-up for each game and will be used to change the line-up at the start of each game on the computer scoring system. Once the **"AWAY"** team has put down their line-up, the sheet will be given to the **"HOME"** team coach for the completion of their starting line-up. Please ensure that the line-up form is completed as per the example attached.
- C. When a substitution takes place during a game, place an **"S"** in the box adjacent to the bowler being replaced. **Please Note: To help calculate the scores for bowlers and their substitutes, a coach MUST indicate in the "frames column" the # of frames and the score bowled for those frames (e.g. 7 – 75) (See example).**

SENIORS COACHES ONLY – There will be no substitutions for the Seniors Teams. Teams will be bowling five (5) and counting all five (5) scores.
- D. The total number of frames bowled is to be marked in the **"frames"** column and the total of the frames **MUST EQUAL "50"** including the frames bowled by the substitution.
- E. The total game score will be placed in the score column for the starting line-up. When a substitution has occurred, the total game score should be placed against the bowler who started the game. The scoring for the **"substituted bowler"** will be the number of frames bowled and the score he/she received for those frames only.
- F. At the end of the game, please mark the match points received for each bowler in the Points Column. Repeat the same procedure for the Team Pinfall Total. Record the total number of points earned by your team for that game.
- G. Make sure the coach of the **"OPPOSING TEAM"** signs your sheet and vice-versa. **LEAVE THE OFFICIAL SCORESHEET ON THE SCORE DESK.** A tournament official will pick up the sheet after each game. Please take your remaining LINE-UP sheets with you for the next game.

The coaches will be responsible for the accuracy of their bowlers' statistics (i.e. number of frames bowled and the scores obtained for those frames). The statistics produced at these championships and any record scores achieved by the bowlers, will be based on the information provided by you.

THESE PROCEDURES ARE NECESSARY FOR THE CORRECT RECORDING OF POINTS AND SCORES TO THE COMPUTER OPERATORS. YOUR ATTENTION TO THESE PROCEDURES IS EXTREMELY IMPORTANT!

THANK YOU FOR YOUR ASSISTANCE AND COOPERATION.
