Hi-Low Tournament Winners

Winners of the Provincial round of the Hi-Low Tournament are from the Ajax 5 Pin Bowlers' Association and are shown here with Tournament Director Harold Stoddart. That is Donna Reader on the left and Cyndy Davies on the right with their new luggage. As well as winning a trip for two to a **"Sun Destination"**, the girls will also represent Ontario at the Nationals being held in Halifax at the end of April. We wish the girls well in Halifax.

Coming in second, and also representing Ontario at the Nationals, are Michelle Krick shown here with Tournament Director Harold Stoddart on her left, and her partner Orest Firman on the far right. Our second place finishers come from Waterdown Lanes and will be putting their new luggage to good use on their trip for two to a **"Sun Destination"**. We also wish them well at the Nationals in Halifax.

5 PIN BOWLER INDUCTED - AGAIN

For the past eight years, the Town of Richmond Hill has held a Sports Hall of Fame, unbeknown to some long time residents of Richmond Hill. Tom Graham a longtime volunteer in Richmond Hill, put forth an idea in the late 90's to initiate a Sports Hall of Fame. Eleven people who were Town Reps, were responsible for the organizing of the Constitution and Bylaws for the Hall of Fame.

There are three categories for possible nomination, Builder, Athlete and Media Spokesperson. The classifications are slightly different from both the Ontario 5 and York Simcoe's Bowling Hall of Fame. All nominees must reside, have covered media news, or had formal training in Richmond Hill. These potential inductees had to be nominated via written correspondence and submitted to the Board of Governors of the Sports Hall of Fame.

We are very proud and pleased to announce that on Friday April 20, 2007, Jim Hoult will be inducted as an Athlete. Jim was inducted into the Ontario 5 Pin Bowlers' Association Hall of Fame in 1991 as a Bowler, and again in 2003 as a Builder. York Simcoe instituted their Hall of Fame in 2001, where Jim was inducted as a Player. York Simcoe also bestowed Jim with Life Membership in 1991.

A long time neighbor of Jim's put forth his nomination, in the hope that he would be recognized for all his outstanding accomplishments in 5 Pin bowling. An interesting point in the accompanying letter, was that Jim coached a traveling woman's bowling team from Allencourt Lanes in the late 1950's that was sponsored by Allencourt Pharmacy called the 'Pill Rollers', which included Tom's wife Lois.

The Town of Richmond Hill, enlisted the help of two volunteer Heritage students to peruse Liberal archives and research information on the Internet. With the collaborating of all past history of Jim completed, the information was transformed into the formal speech for the induction ceremonies. Pictures of Jim across the timeline of his career will be used as reference for a charcoal drawing being produced by an artist. The framed drawing will be hung in the Hall of Fame at Tom Graham Arena in Richmond Hill. Other inductees include the 1972 World Champion Dynes Baseball Team, Tracey Wilson & Rob McCall as well as Elvis Stojko.

On behalf of the York Simcoe 5 Pin Bowlers' Association we congratulate Jim Hoult on his new and well deserved induction.

Are You A Science-Fiction Scholar?

1. B) Darth Vader, villain of *Star Wars* universe, wields a red lightsaber and traditionally Jedi used blue or green lightsabers.
2. D) Captain Nemo, an Indian engineer disgusted with British colonialism, and his crew, have forsaken dry land for the *Nautilus*, a submarine that endlessly circles the earth attacking warships of every nation.
3. C) Know as the Father of Science Fiction, Hugo Gernsback founded the first "future fiction" magazine, *Amazing Stories*, in 1926. He later changed the name to *scientifiction*, then finally to *science fiction*.
4. C) Hal the computer is the nervous system of the spaceship Discovery 1 in Sir Arthur C. Clarke's novel *2001: A Space Odyssey*. When H.A.L. intercepts a communication ordering the astronauts to shut it down, it kills all but one member of the crew.
5. A) According to Douglas Adams's *The Hitchhiker's Guide to the Galaxy*, a race of white mice built a computer called Deep Thought to give them the Ultimate Answer to Life and the Universe. It's answer was 42
6. D) In one of the first interstellar love stories, Dejah Thoris is the beautiful Princess of Helium, beloved of Earthling Captain John Carter
7. A) Herbert George Wells is famous for *The War of the Worlds*, *The Time Machine*, *The Island of Dr. Moreau* and *The Invisible Man*.. Though Hollywood made spectacularly bad films based on his novels, he was actually a very good writer.
8. B) The Rosen Association manufactures androids in Phillip K. Dick's novel *Do Androids Dream of Electric Sheep?* The novel centers around a group of androids—robots who mimic humans so perfectly that few people can tell the difference—rebel against their human "masters" and attempt to find ways to extend their four year life spans.
9. D) Published in 1961, Robert Heinlein's *Stranger in a Strange Land* tells the story of a human infant, Michael Valentine, who was orphaned on Mars, raised by Martians, then taken back to Earth as an adult. As Michael attempts to *grok* human behavior (a Martian word), he ends up becoming a Messiah of sorts.
10. B) In Frank Herbert's *Dune*, the Bene Gesserit—wise women and secret social architects—repeat a longer form of this mantra to help them master fear.
11. A) Kirk's grandfather was fascinated by the Roman emperor of the same name. How would anyone know that? By reading the introduction to the novelized version of *Star Trek: The Motion Picture*, of course.
