ONTARIO 5 PIN BOWLERS' ASSOCIATION

RECOMMENDATION

4.1.04 Currently: Zone Association (Zone)

A Zone, formally called a Zone Association, is a grouping of registered members in a geographical area of the Province of Ontario, such area and the registered members therein recognized by the Corporation as a Zone and made an agent of the Corporation for the geographical area.

4.1.04 Suggested Wording Addition:

For the purpose of finance, Decentralized Association members are not considered duplicates in their respective Zone Association and therefore are subject to payment of appropriate dues as set out by the Corporation.

REASON

To clear up the confusion regarding payment of fees for duplicate members.

ONTARIO 5 PIN BOWLERS' ASSOCIATION

RECOMMENDATION

Duplicate Membership Policy

If a bowler bowls in two (2) or more leagues in the same Zone Association, the league that registers first will be the league where that bowler will be a registered member. Any league that registers the same bowler again, that bowler will be a duplicate member. When a league registers their bowlers, the membership fee will be paid for all bowlers, duplicates included. At the end of the bowling season a league can request a rebate of duplicate members from the Zone/DC Association.

REASON

If every league was responsible for paying the membership fees then there would be no one playing a wait and see game if some bowlers pay the fees or the league pays the fees. Also, for any Zones or DC's that offers a separate Awards Programs, this is one way of making sure that all bowlers participating in the program have paid into it and be eligible for awards from each league that they are bowling in.

MOTIONS AND RECOMMENDATIONS PERTAINING TO MISCELLANEOUS

ONTARIO 5 PIN BOWLERS' ASSOCIATION

RECOMMENDATION

THE BOARD RECOMMENDS THAT WE LOOK AT DIFFERENT VENUES WITH A SHORTENED AGENDA FOR OUR ANNUAL CONVENTION BEGINNING IN JUNE 2012.

REASON

With the growing costs to our Zones/DC's as well as the Provincial costs we think it is time to seek a new venue. We are recommending a shortened schedule where meetings would run Friday afternoon, Saturday morning and afternoon and if necessary finish off Sunday morning. We would still have a Friday Barbeque and a social event; a Saturday workshop and the President's Banquet and Incentive Awards on Saturday night. If the membership decides they still would like to go to a resort then they can come up early to enjoy golfing or the other amenities that are offered or if it is your wish we will look at hotels to conduct our AGM.

ONTARIO 5 PIN BOWLERS' ASSOCIATION

RECOMMENDATION

THAT ALL BOWLING CENTRES THAT ARE MEMBERS OF THE O5PBA ADOPT A NEW "SENIORS MAIL-O-GRAPHIC TOURNAMENT". PLEASE SEE ATTACHED SHEET FOR COMPLETE FORMAT.

REASON

With the rising cost of gas and most seniors not interested in travelling in the winter months, we would like to implement a tournament that can be bowled in house and the final results can be mailed to the office where a Provincial winner will be announced. The \$3.50 per entry can be used to buy monthly prizes for the winners.

SENIORS MAIL-O-GRAPHIC TOURNAMENT

FORMAT

The Seniors Mail-O-Graphic tournament consists of two (2) steps:

- **LEAGUE ROUND RESULTS**
- **PROVINCIAL RESULTS**

GENERAL RULES

2. Entry fee for this tournament will be \$4.00 per bowler, of which \$0.50 is to be submitted to the Ontario 5 Pin Bowlers Association. The balance is to be used by the league for the winners as they see fit.
3. Bowlers who are members of two or more leagues may use their scores from each league to qualify.
4. This event is a Pins over Average tournament.
5. League Secretaries, or their designate, will be responsible for keeping track of the monthly winners.

2. League Secretary will determine the highest pins over average single, double or triple winner (man or woman). Then on the winners report form please include the bowler's average (the week that he/she bowled the game), their score and their pins over average total.
3. Bowlers may qualify more than once for the Monthly Awards.
