In Memory

Ollie Edwards, past president of both Zurich D.C. and Bluewater passed away on Jan. 19th, 2003. Ollie was involved in the administration side of bowling for approx. 15 years.

Convention Motions

A reminder that any convention motions should be sent to the office for consideration by April 15th, 2003. This deadline will be strictly adhered to.

The Perfect Marriage

Adam & Eve had the perfect marriage. He didn't have to listen to her tell him about all the other men she could have married. And she didn't have to hear how good a cook his mother was.

Pig Weigh In!

This year at Convention we will be having a weigh in for all the zone pigs and the elephant. The lucky pig that has gained the most weight will be acknowledged for his or her wonderful appetite and will receive an appropriate reward. Any pigs being weighed before Convention must have been verified as to weight and duly noted and signed by the zone president.

Zone Pins

There has been a reply from one of the Zones regarding the trading of Zone pins. The idea of giving them out at the Round Robin only is very appealing considering the savings to the Zone on the cost. I would appreciate comments from all the other zones regarding this. Please let me know how your zone views this possible change. E-mail me with your thoughts at mickeymcneil@o5pba.ca I will advise the results in the March Pinboard.
