We are still awaiting news on our lottery books. Hopefully this matter will be settled in the very near future.

Dominican Trip

The fun in the sun vacation trip was a huge success. There were a total of 87 people who attended this trip and everyone had a great time. There was plenty of sun, food and tropical drinks. The side excursions were enjoyed by many and everyone came home with good memories and some new friends.

Awards Survey

Our thanks to all the zones who took time out from their busy schedules to complete and return the above survey. It is through your comments and thoughts that we can determine how this program can best serve all zones.

Single/Triple Glasses

The O5 Prov. Office did not re-order single and triple award glasses for the 2002/03 season. In our inventory as of Nov. 19/02, there are only six (6) cases of triple glasses (3 doz. In each case) left. We are sold out of single glasses. Once the triple glasses are gone, they will no longer be available and the office will not be carrying awards glasses in its inventory. Please ensure that all Zone and DC Association Award Chairpersons are made aware of the status of the above.
