Convention

Well everyone, it's time to pack our bags and go north to spend a few days with the black flies and mosquitoes. We hope everyone arrives rested and ready to work as we have a great deal to accomplish in a very short period of time. We look forward to seeing everyone in June and remind all Zones to bring the pigs and/or elephant. A final reminder to all the gentlemen attending Convention this year. Remember, you must wear a shirt, tie and have a suit or sport jacket on to attend the banquet. There are no exceptions. Drive safely and see you soon.
