HIGH-LOW DOUBLES TOURNAMENT

Our most popular tournament on the Calendar. Have a great time playing in your own league.

Who knows, you could be a Winner!

- High average bowlers are paired with low average bowlers in a pins over average format, giving everyone an equal opportunity.
- Tournament is run over 4 weeks during league play so you are in your own centre and bowling with someone you know.
- Following the league round, "*League Champions*" are declared and advance to the Zone Finals. Again you are with your partner, not alone. The winners of the Zone finals advance to the Provincial Championships.
- The winning 2 teams at the Provincial Championships will represent Ontario at the Inter-Provincial Championships in Gatineau, Quebec.
- A Coach will be assigned to your team for the Inter-Regionals to work with you to hone and enhance your skills, guiding you to a National victory.
- Additional prizes will be awarded at the Provincial Championships based on over all entries.
- Check with your league secretary to be sure of your league's participation.
