Fundraiser Manual

The job of fundraiser is not an easy one. In an effort to help all of us at this time when most Zones and DC's are struggling for funds, we are asking for your help in updating the Fundraising Manual. We are sure there are many new ways in which to make a few dollars for our organizations and we are asking all of you to share your pet fundraisers with the rest of us. Please forward a written outline of the fundraisers that your Zone or DC have found to be a success to: mickeymcneil@o5pba.ca
Your help would be greatly appreciated.

Share The Wealth

Please be advised that the order form for the Share the Wealth tickets is now available on the website. In addition, the office is in the process of mailing the forms (PDF and Word document) to all Presidents. Please get your order into the office as soon as possible.

Teleconferencing

Your Board of Directors had their first teleconferencing meeting last night and all things considered it went very well. Now, if we can just keep our President from disappearing for a beer we would be perfect! (Just kidding, just kidding)
