

MOTIONS AND RECOMMENDATIONS PERTAINING TO THE AVERAGE BOOK

HURONIA 5 PIN BOWLERS' ASSOCIATION

MOTION

**THAT ALL GAMES BOWLED DURING LEAGUE PLAY INCLUDING
PLAYOFFS MUST BE INCLUDED IN THE 3 YEAR ROLLING AVERAGE
RETRO ACTIVE FROM 2013-14 SEASON.**

REASON

Average Book was designed to show a true average for bowlers. If we do not include all games bowled during the season (some do, some don't) why are we sending in tournament scores to count in the average book. Everyone should be on the same page. Let's have it in writing which way it should be.
