Special Dates

Bowling School

Another Bowling School has come and gone and once again the adults all survived. It was a very hot week in Hamilton but one that was enjoyed by all. The staff was great, the food was good, and the kids were awesome. Our thanks to everyone from the office staff to the Instructors and Pros who made it all possible. Special thanks to Mr. Glenn Allan, our motivational speaker on the final day of the school.

Booster Club

Any Zone or DC that has not ordered their Booster Club Tickets, you are asked to do so now. Please contact the office to have these supplies forwarded to you.

C5PBA Annual General Meeting
August 24—27, 2006

World Capitals Quiz—Answers

1. A) Poland's capital and largest city, Warsaw was mostly destroyed during World War II. With the fall of communism in 1989 and an economic boom in the 1990s, Warsaw has grown rapidly to become a financial and cultural center of eastern Europe.
2. C) Located in southern Ontario, near the border of Quebec Ottawa was made the capital of the Province of Canada in 1857. It was chosen as the capital partly because the site was considered safe from an American attack. When the Dominion of Canada was formed in 1867, Ottawa became its capital.
3. D) Construction of Brazil's capital, Brasilia, began in 1957 to replace crowded Rio de Janeiro as the seat of government.
4. B) Canberra was chosen to be the capital of Australia in 1908. American architect Walter Burley Griffin won an international competition to create the design of the new city.
5. D) The bear is the emblem of Switzerland's capital city Bern, and a bear pit has been maintained in the city since 1513. Bern is also notable for the fine collection of gothic architecture and alpine scenery.

World Capitals—Continued

6. D) New Delhi was built between 1912 and 1929 on a site adjacent to Delhi or Old Delhi, which had been chosen to replace Calcutta (now Kolkata) as the capital of India in 1911. New Delhi became the capital in 1931 and has grown rapidly ever since, particularly during an economic boom of the 1990s.
7. A) Construction of Islamabad began in 1961, and it replaced the provisional capital of Rawalpindi as Pakistan's capital 6 years later. Islamabad was chosen largely because of its location in the heartland of the country.
8. C) Located on a high plateau in the Cordillera Oriental of the Andes Mountains, Columbia's capital city Bogota commands spectacular views. It is also one of South America's fastest growing metropolitan centers.
9. B) Jakarta's origin can be traced to a Hindu settlement on Jakarta Bay as early as the 5th century AD. It is now Indonesia's largest city.
10. A) Tanzania's capital, Dar es Salaam, is Arabic for "haven of peace" an indication of its origins as a summer beach resort for the sultan of Zanzibar. Today it is the acting capital of Tanzania, although the smaller city of Dodoma has been designated as the eventual capital of the country.

Have a Safe and Happy Summer

From everyone at your Ontario 5 Pin Bowlers' Association, we wish you a great summer. Enjoy, stay safe and don't forget the sun block!

Congratulations!

Congratulations to John and Meg Bodnar on the arrival of their new addition to the family. Born on June 30th, 2006, Bronx weighed in at 5 pounds 11 ounces
