Barb Hamilton from the Central Ontario Mixed Team is the first female to bowl a perfect game during competition. Barb invested in the "Perfect Game Pool" and walked away with a cool \$19,785.00. Congratulations Barb, on some great bowling!</p> <p>Menard Bros. Rule</p> <p>The Ontario Open saw another first this year. Hailing from Ottawa Valley, their Senior Team had not one, not two, but three of the Menard brothers bowling. Michel, Rejean and Bernie were all members of the Ottawa Valley Senior team. Not being sure when or if this great event would happen again, the brothers saw fit to bring their mother along. We understand she had a wonderful time. And so we're sure, did her three sons.</p> <p>Open Results</p> <p>For complete results of the 2008 Ontario Open from Hamilton, please check the O5PBA web site at www.o5pba.ca</p>	1. Hamilton	9. In Memory...The Loss of a Friend

Iris Heney, one of 5 Pin Bowling's most devoted volunteers, lost her courageous battle with cancer on April 6th, 2008 at the age of 65. To quote her best friend and husband Mike, her occupation was wife, mother and lifetime volunteer.

Iris ceased being gainfully employed at the age of 24 when her son David was born. In 1973 she enrolled him in the local YBC and thus began her career as a volunteer for the next 36 years. Over the 20 years she spent with the YBC, she held positions of marker, instructor, coach, senior division supervisor and President of Zone X Association YBC.

While still working with the YBC, she was instrumental in restarting the Preston 5 Pin Bowlers' Association (now Merivale) which had folded two years earlier. Over the next 23 years, she held the position of Secretary, Publicity Chair, Merchandise sales, Tournament Director, Membership Chair and President. Most recently Iris was the President of Ottawa Valley 5 Pin Bowlers' Association, a position she held until her illness caused her to resign.

Bowling was her life and she got the whole family involved. Her proudest moments were watching her son David win the Provincial Championship in the YBC Senior Mixed, winning her Master's ring in the Mid Winter Blues Tournament, her daughter Brenda bowling a perfect game in 2007, Mike winning two trips with the O5PBA and receiving a letter from the Sport Alliance informing her that she would be presented with the Syl Apps Award for volunteer service to amateur sport on April 24th, 2008.

In addition to her bowling, she also spent eight years as a volunteer with the Ottawa Community Police Service and four years as a volunteer driver for the Ottawa Regional Cancer Center. When you add them all up, she has given 55 years of volunteer service to four organizations in the last 36 year. It is no wonder that when asked what her occupation was, Mike always said she was a professional volunteer. Our sincere sympathies go out to Mike, son David, daughter Brenda, mother Mary McPhee, and sisters Phyllis and Geraldine.

Donations to the Ottawa Regional Cancer Society or the Kids Help Phone would be appreciated.

Rules of the Tournament

1. \$1.00 a Mulligan but only **ONE PER TEAM PER GAME**, so make it a good one. A mulligan can only be used on the **first** ball in every frame including the 10th frame.
2. The teams for this event can be male, female or mixed.
3. 10 games of No-Tap will be bowled in a scratch with handicap format.
4. Taking your averages and adding them together and dividing by two will determine the handicap. That will be your team average. Then we will take 250 and subtract your team average and take 80% of the difference. That will be your team handicap. The team handicap will be capped at 80 per game. The Handicap total for the 10 games will be added into the first game.
5. Averages will be taken as of May 1, 2008 or last week played. Please bring your highest league average sheet for proof of average.
6. If you are not bowling in a league in the 2007-2008 season, the women will assume an average of 200 and the men will assume an average of 215.
7. Entries are on a first come first serve basis, so make sure you get your teams entry form and money in early. There will be no spots reserved without money in hand.
8. Individuals may play more then one shift and place more then once.
