TO: All YBC Program Directors

2007 O5PBA/YBC BOWLING SCHOOL – JULY 12TH-15TH, 2007

On behalf of the Ontario 5 Pin Bowlers' Association, we are pleased to send you two (2) copies of the Student Application Form for the upcoming 2007 O5PBA/YBC Bowling School.

For the past fifteen years, the Ontario 5 Pin Bowlers' Association, in cooperation with the Youth Bowling Council and the Master Bowlers' Association of Ontario, has conducted an annual summer bowling school. While the school has been mostly full every year, we are still hearing that many YBC bowlers and adults (potential staff members) have never heard about the school and would have been interested in attending if they had only known.

As a YBC Program Director, the O5PBA is hoping to enlist your cooperation in the distribution of the Application Forms to individuals within your YBC Program who have not participated in the past, but you feel would be suitable candidates as a participant at the school.

The school curriculum is based on four themes: they are Evaluation, Preparation, Demonstration and Realization. Specifically, on the first day, we evaluate the student from a technical standpoint with the use of videotape and a variety of forms.

On the second day, the instructor is now ready to prepare a game plan for the student that will not only make them aware of their abilities but also indicate potential improvement. In this process, the instructor sets both short-term goals for the duration of the school and also long term goals that the student can take back to their YBC program and work on during the upcoming season. Also, on this second day, we introduce a "pro" to each group and these individuals are elite bowlers who bring added knowledge to the group and assist the instruction process that is already in place.

The third day of the school is extremely busy as now the instructor and pro are working together to demonstrate to the students how their goals can be reached.

The process is accomplished both through on-lane instruction and classroom exercises.

On Sunday, the fourth and final day, the video taping is completed and all evaluations finalized and, in a series of tournaments, the student will hopefully realize some improvement in their technique.

The school curriculum is an ever-changing process, and, with a large number of returning students and staff, it is necessary to constantly adjust the school activities, including the tournaments, lectures and even the social activities.

If you have any questions, please do not hesitate to call our Provincial Office at (416) 426-7167 or via email at mikewilson@o5pba.ca or o5pba@o5pba.ca. Information is also available from the O5PBA website (Bowling School link) at www.o5pba.ca.

Regards,

A handwritten signature in black ink that reads "Mike Wilson". The signature is fluid and cursive, with the first name "Mike" and last name "Wilson" clearly distinguishable.
