This year will mark the 16th year for the O5PBA/YBC Bowling School. The success of the school is in no small part due to the dedication and hard work of the Instructors and Pros who give their time freely and gladly. Also the Facilitators and Coordinators to whom the school is not just a four day affair, but one that takes a year of hard work to prepare for. And finally, the students who have shown over the years that all the hard work and dedication have been well worth the effort.

As we all know, the past few years have seen our membership numbers decline and this also applies to our youth players. These young adults are the future of our game and it is through them that our sport will flourish and not continue to decrease. With your help we can make a difference. Many YBC bowlers would love to attend the school but find the cost of \$450.00 just too much for them or their families.

We understand this, but unfortunately the cost of hosting a venue such as this comes at a cost. On a positive note, the current fee includes all accommodations, school supplied meals & snacks, transportation, lineage, insurance and entertainment. What more could one ask for during four days of instruction, competitions and fun.

Many thanks go out to all those that have sponsored the School or students in the past. The students who attend appreciate your support.

If any Association or individuals are interested in sponsoring a YBC bowler, please contact your local YBC Program Director or Bowling centre to inquire if there are eligible players interested in your area. In the same token, if anyone wishes to donate funds towards the cost of sending a student to the Bowling School we encourage you to please contact the Ontario 5 Pin Bowlers' Association offices at 416-426-7167 and bring a smile to a young adult's face this summer.
