

HALL OF FAME

During the 2002/03 season, the Hall of Fame Committee undertook to find a way to recognize the countless men and women who have served O5PBA and 5 Pin Bowling through their local associations. Many of these individuals have never sought recognition by election to the provincial level, but, nonetheless have been integral to local successes and changes made at the provincial level. As a result, the Builder Division application process has been revised and the following is presented as criteria for nomination of those local volunteers.

BUILDERS DIVISION – LOCAL VOLUNTEER

1. 10 years of service as a member of O5PBA Zone or Decentralized Association Board of Directors.
2. May have been a founder of an O5PBA Zone or Decentralized Association and served 5+ years in initial development stage.
3. May have been Executive Officer of O5PBA Zone Association during zone reorganization and served 5+ years in development stage. (Grand River, York Simcoe, Kawartha Lakes, Maple Ridge, Bluewater, Ottawa Valley, Central Ontario, Metro Toronto, Middlesex Elgin)
4. Repeated recognition as “Incentive Award” finalist and winner.
5. Created program or internal development to program that provided change at provincial level.
6. May have served on O5PBA, MBAO, Bowl Ontario Provincial Board of Directors for 5+ years.
7. May have served as MBAO or YBC Zone Delegate for 10+ years.
8. Coaching service of 10+ years at provincial/national level including O5PBA, YBC, MBAO.
9. May have served as YBC Program Director 15+ years. As the number of zones who have instituted their own Hall of Fame Programs is increasing and many Zone Historians have continued to formalize and update their records, we look forward to receiving more nominations to the Builders Division. Be assured that the Hall of Fame process can only be successful with the involvement of all levels of our sport and your committee welcomes your input. A copy of all revised forms can be found at the back of the Convention Book.
