GET ACQUAINTED INFORMATION SESSION

We strongly recommend that you attend this function. This event will be held at the ***Holiday Inn Toronto Airport – East, 600 Dixon Road, Etobicoke, Ontario, M9W 1J1, (416) 240-7511 in the Banquet Room.***

Unfortunately, the Ontario 5 Pin Bowlers' Association does not pay for this night's accommodation, but we do receive extremely attractive group rates, for our bowlers and their guests. They will allow you to park your car in their supervised parking lot for the week. This will help offset the room price.

This information session is an excellent opportunity for you to meet the other trip winners and their guests, as well as a way to be updated on the itinerary for the coming week, travel and insurance tips and other useful information.

When you enter the information session you will receive:

A MEET AND GREET BINGO CARD TRAVEL INFORMATION

YOUR EXPENSE - GET ACQUAINTED INFORMATION SESSION

- ❖ Accommodation at the Hotel for those wishing to stay overnight.
- ❖ Cash Bar

The Ontario 5 Pin Bowlers' Association will be providing pizza.

WHAT TO WEAR

There is no particular dress code for this function. You are encouraged to wear what is most comfortable to you. Our objective is to make you feel at ease with your fellow trip winners, and enjoy an evening of fun and relaxation.

MEET AND GREET BINGO GAME

While enjoying pizza, you are invited to participate in the ever popular **"Meet and Greet Bingo"** Game. The idea of this game is to meet the other people who are going on the trip to the Dominican Republic. All you have to do is take your card, introduce yourself and ask the person to **PRINT** his/her name in one of the squares on your card. You in turn can sign his/her card. We have one small rule in Meet and Greet Bingo; **the same last name cannot appear more than once on your card**. This ensures that each guest will have met 15 new people prior to going to the Dominican Republic. If you are a shy type person - don't worry, your card will be filled as most guests on this trip are outgoing.

At the Information Session, we will draw names from a drum. As a name is called, and if it is on your card, you will put an 'X' on the square. And just like Bingo, when a line is filled either vertically or horizontally call **" B I N G O "**! Eight prizes will be awarded. One for each of the vertical lines and one for each of the horizontal lines.

Don't forget to bring a pen or pencil.

TRAVEL INFORMATION

John will answer all of your questions on anything pertaining to your trip.

You will receive your airline tickets from your Tour Guide when you arrive at the airport. You will then proceed to the airline counter to check in. You must have your passport to present to the airline in order to receive your Boarding Pass and to clear customs. Your luggage will be checked in at this time. Each person must have a valid Passport in order to pass customs. **You will not be allowed to leave the country without this document.** If you do not have a passport or cannot get one, please call our office immediately.

Transportation to the Airport in Toronto

The Ontario 5 Pin Bowlers' Association has made arrangements with the Holiday Inn Toronto Airport East Hotel that we may leave our cars on their parking lot, at a designated spot, free of charge. A bus will pick us up in the morning and drive us to Pearson International Airport, Terminal One.

There is a \$10.00 U.S. (per person) Arrival Tax in the Dominican. (Your cost)

After a long flight (which includes lunch), you will arrive in Puerto Plata in the Dominican Republic. Once having disembarked from the plane, cleared customs and picked up your luggage we will be met by a representative from Sunwing Tours. He/She will direct us to the buses, which will take us to the Casa Marina Reef resort.

The Dominicans at the airport are very aggressive and will try to take your luggage from you and carry it to the bus. **DO NOT LET THIS HAPPEN**, unless you want to tip them. They earn their living from this and get real upset if you do not want them to carry your luggage.

IMPORTANT: Security at the Airports in the Dominican Republic is sometimes very strict and you may have to present the half-ticket you received in Toronto to the attendant to receive your luggage when you arrive. **PLEASE KEEP THIS TICKET IN AN EASILY ACCESSIBLE AND SAFE PLACE.**
