Open Tournament

As everyone knows, the format in Hamilton has been changed to allow all zones to bowl each other once. This means that you will be bowling 15 games in all divisions. What this also means is that zones that distribute pins will need 315 not including the round robin. Maybe the time has come to only give out zone pins if you make the round robin?

Kids Help Phone

Okay everyone, just how the heck are those pigs (+ 1 elephant) doing? Remember as responsible adults you are required to:

- Make sure your pig eats at least 3 meals a day.
- 2. If unable to feed it 3 meals daily, you must ensure 1 large meal each evening.
- 3. All animals love attention so make sure there are always lots of people near it.
- 4. Since they have no voice it is your responsibility to speak for them.
- Make sure everyone knows they are there and hungry.
- 6. Be sure to weigh your pig weekly to ensure proper weight gain.
- 7. Keep your pig clean, as all animals like to look good.
- 8. You can feed them snacks whenever you feel like it.

- Make sure everyone knows how much they like kids. Make up a snappy logo. Central Ontario uses "Help a kid – Feed the pig"
- 10. And probably the most important rule is when he/she has reached their maximum weight, thank them, give them a kiss on the nose, and then smash them to pieces!

Remember these are just guidelines but believe me you will feel enormously wonderful when you are finished.

Next month: Get ready for the weigh in!

League Champ Pins

Another reminder that the League Champions pins are now in stock and available from the office.
