Ontario 5 Pin Bowlers' Association

February 24TH, 2006

TO: All Zone Lane Certification Agents

COPIES: All Zone Association Presidents

SUBJECT: 2006 LANE CERTIFICATION/LANE MAINTENANCE SEMINAR

The Ontario 5 Pin Bowlers' Association will conduct a Lane Certification Seminar on ***Sunday, April 23rd, 2006*** at the Sport Alliance of Ontario Building in Toronto.

As agreed at the 1992 Convention, all agents must be certified every third year, and, as you can see by the attached list, everyone certified from 2001 and earlier must attend the course to maintain their accreditation. As well, we want to encourage each and every zone to certify several agents so that we can cover our large geographic areas in a timelier fashion and also allow each zone to certify each and every centre in their zone with the personnel trained within that zone.

Specifically, our schedule is as follows:

Sunday, April 23rd, 2006
